Dear Friend:

Welcome to **Recipe To Candle Making**,

My name is Charlene Appeal and I have always been interested in how to make candles and in the history of candle making.

I started RecipeToCandleMaking.com for others who wish to also explore how candles were made and all the techniques used from start to finish in making candles.

I also have a FREE "10 Day Mini Course" on candle making. This amazing mini course is an introduction to my ebook "Recipe To Candle Making"
