

The screenshot shows the homepage of Dr. Mericle's website. At the top is a banner image of a crowded beach. Below the banner are three columns of text: 'Lose 40 Lbs & Keep It Off 32 Years', 'The Myth of Fat Burning Foods', and 'Alternative Therapies'. A navigation bar includes links for 'home', 'about', 'login', and 'ads by pacific'. The 'Recommended Reading' section features 'Mad Cowboy' by Howard F. Lyman, G.D., with a 'Buy New' button and an Amazon link. The main content area is titled 'Now Available For The First Time Dr. Mericle's Definitive Guide to Health and Weight Loss' and includes a photo of a man running. Below this is a red button that says 'Click Link Below' with arrows. To the right, there are two more product advertisements: 'Diabetes Weight Loss' and 'Diabetes Weight Loss' by John Mericle M.D., each with a 'Buy New' button and an Amazon link.
