TFT THE FIXIT TEACHER

Here's our selection of must have home repair and improvement training modules. Each one is instantly available for immediate download following your purchase through a **secure server**, even at 3AM on Sunday.

Homeowners Guide to Buying Tools. Provides homeowners and beginning handy people with insight into what tools they will need, how to choose them and where to find them at the best prices. If you're not a big tool person, this guide will be very helpful, and if you are already tool wise, this should still give you some insight into some of the specialty tools for home repair.
