

**Scientifically Proven Method:  
Get Over Your Breakup**

💔 You thought things were going well with the man you were seeing. And then **suddenly out of nowhere, he utters the dreaded words:** "There is something I want to tell you. This is not really working for me." Your stomach lurches and your throat squeezes tight.

💔 You are seeing a guy. Things are going well. **But suddenly he becomes distant, rarely calls you, rarely suggests that you get together.** You have no clue why, and your mind spins
