

ATTENTION: I'm looking for **absolute beginners** who want to earn extra income on the Internet by test-driving one of the easiest ways to get paid online.

Can You Set Aside Just **1-3 Hours** Every Week To Complete One Simple Assignment?

If yes...

Let Me Show You How To **Make Money As An Affiliate** Without A Website Or Any Previous Experience!

From: Rocky Tapscott

Re: Becoming A Cash-Producing Affiliate

Dear Colleague,

Have you ever tried to put together something that came with a "*some assembly required*" tag attached?

I'm convinced this is some kind of trick to see just how much we really want the completed product. Surely someone somewhere is watching and **having a good laugh** at our expense, right?

Sidebar: These things can be nightmarish. Mainly because whoever wrote the instructions usually doesn't speak our language. And then there's the whole "not enough pictures" thing. Add in the fact that they sometimes leave out important pieces of information and you've got the makings of a frustrating experience.

My wife and I were recently putting together such an item and as we looked at all of the different nuts and bolts, as we looked at the 10 pages of instructions, and the mess in front of us, I asked a very important question...
