- Ready Made Lesson Plans
- Exciting, Interactive Classroom Discussions
- Less Frustration About What You Need to Do

## **IF you Have A Step-by-Step Guide:**

“Superior student achievement is not created through barebones curriculum alone. Students need challenges and opportunities to be more than just students. They need the opportunity to be scientists!”

Science fairs offer students this opportunity and they offer you, the educator, the chance to enrich the learning experience for your students.

This teacher's guide is excellent! As a science teacher I am always on the lookout for new lesson plans that I can add to my curriculum. This ebook breaks down the
