

How I HELP Hundreds of Indian Retail Investors MASTER TECHNICAL ANALYSIS

I believe ...

If **you** have to make money from the market, **you** have to understand the market and cannot just rely on someone else to help you buy the stock at the **right time** and at the **right price**. You have to get that done yourself and it is neither the stock broker nor the stock tips providers (or stock tippers as it is pronounced) that will help you make money from the market. I believe in the concept and so do my hundreds of other students and readers. So if you also believe in what I believe it makes sense to be reading

What Next?

The next step to **Do It Yourself** is to get a mentor who not only helps you understand the market but also can be with you as and when you require and not when he is available. I am always available in DIYTechnicalAnalysis members forum area to answer any question that any of my readers have related to stock, chart pattern, fundamental analysis, investment analysis or even choice of brokers.

“With Shabbir's guidance and my hard work, now I am
