## How An Embarrassed Housewife Got Rid Of Her Cellulite...

...with 11-minute "mini-workouts" (just 3 times per week)  
and a few simple dietary changes.

[Here's the full story...](#)

Dear Friend,

**Does having cellulite embarrass you and make you feel unattractive?**

Well, I can tell you that's how it made me feel!

My name is Kimberly Edwards and I tried EVERYTHING to get rid of my cellulite...

BUT NOTHING WORKED... NOTHING.

I found out the hard way that creams, supplements, and gimmicks are ABSOLUTELY USELESS.

However, I was so frustrated and upset by my cellulite that I used to cry myself to sleep at night. Seeing those ugly "dimples" on my skin was depressing.

**And that's when my husband, Kenney, stepped in.**

You see... he's a personal trainer, a former top national decathlete, and has a degree in physical education from a major university.

When he saw just how upset I had become, he said, "Enough is enough... there's got to be a solution!"

So he literally spent WEEKS holed up in our cold basement at night, pouring through stacks of his university notes and re-reading textbooks...when, suddenly, the solution became obvious to him.

As a result of his research, he developed a 21-day program that specifically targets the problem of cellulite. It's called... *Do This To Get Rid Of Cellulite.*

**So how well does it work?**
