Dedicated Genealogy Research from Ireland

At Records Ireland we are dedicated to helping you to connect with your Irish family history.

Our principal [Hilda McGauley M.Sc., MAPGI](#) has been working to this end since 1998 and heads a team of committed researchers. Hilda is a member of [APGI](#), the regulating and accrediting body for the genealogy profession in this country.

Free initial advice >

We relish the challenge of genealogical research and would love to hear from you with queries about your search. We will let you know if and how we can help and also provide you with a quote for undertaking future work (with absolutely no obligation arising) [click here](#).

Record Searches >

If there is a particular record that you would like to search for, or a source in Ireland that you would like to consult we can do so on your behalf. For information on this service [click here](#).

Family Research Projects >

We can work with you on a family research project at any scale, whether focusing on one specific aspect of your family history or taking a broader approach. For more details [click here](#)
