**Discover How You Can Spend The Rest Of Your Life
Traveling And Seeing The Most Breathtaking Sites
In America on \$20 A Day**

Imagine what you would do and where you would go if I *PROMISED* to show you how to live a complete life with *all* your needs met for \$20 a day? Would you head to a national park like Yellowstone or Glacier and hike and photograph wildlife for a month? Would you relax a month away on Florida's pristine white powder sand beaches sipping cold Mojito's? Would you hit the tables in Vegas for some exciting gaming, outrageous pool parties, followed by a mind blowing world class show? Would you dine out every night for a week on the pier in San Francisco? Would you go hunting, fishing, camping, hiking, biking, boating, surfing, skiing, or otherwise get off the grid and out of the grind for a month or two at a time?

My wife and I have been doing this for years. Now you can get 700,000+ miles of travel experience over the course of 18+ years in my new book entitled **Vanabode - how to happily camp, travel and live forever on \$20 a day.**

**Learn the Secrets of an Adventurous, Romantic Life,
Filled With Adventure and Travel**
