

**Who else wants to find out how easy it is to quit smoking
without willpower, pills, patches or effort?**

With my tried and tested approach, I can teach you the 23
reasons why you can't quit on your own... and show you
how to blast smoking into your past forever!

From: Tom Dainty
Date: Monday, November 24, 2008

Dear Soon-to-be Ex-Smoker,

Have you tried to quit smoking using pills, patches and potions and like everyone else,
got absolutey nowhere? Well don't worry anymore because I can help you quit smoking
without any effort or willpower by changing how you think about smoking.

Inside my amazing new book, **The Quit Smoking Bible**, I show you how to ****choose****
whether or not to be a smoker, without any willpower, suffering or anxiety at all!

**Because you have tried to quit smoking before, you will know
how difficult it is right?**

The moment you stop, you just cannot get the thought of smoking out of your head
right? It seems to make it utterly impossible to succeed. The cravings, the desire, the
