You have made the first step in the right direction to a fantastic career! Medical transcription jobs at home as an employee is a career that is in high demand that most people aren't familiar with. One day, I was reading the newspaper and saw an article in the paper about a woman who had a medical transcription job at home for a client 1,500 miles away. She never had to get out of the house in the bad weather, fight traffic to get to work, buy expensive clothes and lunches. I was intrigued. From then on, I thought of nothing but how I could do this, too. I had My electrician brother come over and put in extra plug-ins for my computer and never looked back. I knew medical transcription was for me. Since doing medical transcription for over 17 years now, I was motivated to write the ebook *Medical Transcription at Home*. This short guide will show you several ways you can become a medical transcriptionist
