"Finally someone has shown how the world religions can work together for the common good. It's about time!"

What the World Needs to Know about Interfaith Dialogue

by Richard M. Landau, MA

Comprehensive ebook shows you how to build bridges between conflicting religions

Yes it's true that many wars and conflicts have started over religion. Now here's an electronic book that shows you how purposeful inter-religious dialogue can actually bring about peace.

The product of 30 years of research and practice, What the World Needs to Know about Interfaith Dialogue, is a comprehensive ebook that covers virtually every aspect of dialogue between diverse religious groups.

Selected by Beliefnet.com as a guide and authority for online interfaith dialogue
