Send your shelter/rescue group's contact information & website or Facebook URL to animalrescueaid@bellsouth.net *and we'll get you added to our program!*

Why donate pet crates?

Pet Crates are an essential part of animal rescue – but they're unfortunately very expensive and even more expensive to ship given their size and weight – so shelters and rescue groups mostly rely on the generosity of donations to fill this need.

That's why we've launched our **National Pet Crate Donation Program** – to make it quick and easy for supporters of animal rescue to make a donation of a Pet Crate to a shelter or rescue group of their choice.

Best of all, they don't have to pay fully for a crate themselves – they can 'chip in' for one and once a group has received enough donations for a crate, we'll ship it right along! So literally every single dollar donated will be a big help!

As a Shelter / Rescue Group you can get your Pet Crates in ONE of THREE ways:

1. Your supporters can donate all or part of the cost of a crate on your behalf via our secure website at www.animalrescueaid.org
2. Simply order any number of Pet Crates you need and we will ship them to you. **$85.00** cost per 42" Crate with Metal Pan, includes shipping anywhere in the contiguous USA.
3. Order any number of Pet Crates and arrange to pick them up at our Atlanta, GA location for just **$60.00** each – and really save! Just call us at 770-355-1763 to arrange pick up!
