

MEET YOUR NEW PRESIDENT AND PRESIDENT ELECT

Toni Wood, President

Toni is a HIM Business Analyst for SCL Health in their Provider Service Organization department. She is part of a team that supports OnBase, the electronic document capture application that is integrated with eSummit, their Epic Electronic Medical Record (EMR) software, to help ensure that their patients have a complete medical record. She provides implementation, training and ongoing support as needed throughout the system. Prior to working at SCL Health, she was the IT Director for the Butte Community Health Center. While there she led many implementations for their sites including Epic, ComputerRx, Dentrax and their Mitel phone system. She has been working in Health IT for 10 years, and

has 23 years of healthcare experience.

Toni was born and raised in Butte, MT., and has spent most of her life there. She is a graduate of Montana Tech with a Bachelor of Science in Health Care Informatics, and a minor in Computer Science. She has also completed a Master's Certificate in Health Care Informatics and is currently working towards completing her Master's Degree.

Toni is on the Industry Advisory Board for the Healthcare Informatics program at Montana Tech, and has been on the MT HIMSS board since 2011 serving as a Program Chair. When she is not traveling, she enjoys spending time at home with her family.

Deb Anderson, President Elect

Deb is a health technology consultant and business relationship manager for the Health Technology Services department of Mountain-Pacific Quality Health. With 15 years' experience in health information technology (HIT) and over 30 years of general IT experience, Deb assists clinics and hospitals in the selection and implementation of Electronic Health Record software as well as helping them achieve and attest to Meaningful Use. Deb received her Certified Professional in Health Information Systems (CPHIMS) in 2005 while she was the

information systems Manager at Sheridan Memorial Hospital. She currently consults on regulatory programs from CMS, estimating Medicaid/Medicare eligibility for incentives, recommending workflow improvements for improved efficiency and data collection, leading toward improved health outcomes.

Deb serves on the board of MT HIMSS as the president elect and the Industry Advisory Board for the Healthcare Informatics program at Montana Tech. She is active in Bowhunters of Wyoming with the membership and conference committees. Deb has been a USAV and AAU volunteer volleyball coach and is a lifetime member of the Sheridan Wyoming Hospital Auxiliary.
