

Tennessee Senior Olympics Hardship Form

The Tennessee Senior Olympics Board of Directors realizes that circumstances may arise (medical or otherwise) to prevent an athlete from attending a district event. Please complete the form below and it will be reviewed at our November board of directors' retreat.

We encourage all athletes to check the schedule of all 10 districts first to see if participation is possible. If injured, we encourage athletes to register and show up for the event even if it is to hit a ball or two or walk through the event. Participation (not placing) is required to move on to the state finals. If these suggestions simply will not work, please complete the form below and return to:
