

Dear Texas Pre-Green Program Supporter:

We would like to take this opportunity to thank you for your continued support of the Super Series Group's Pre-Green program. In the first three years of Texas Pre-Green Stakes, the shows hosting the program have awarded over \$339,000 to 212 enrollees in Texas. Serving as the pilot program for the USHJA Pre-Green Incentive Program, you should be proud to know that with 659 horses enrolled nationally in 2013 and 2014, nearly three-quarters of a million dollars have been awarded to pre-green hunters across the country, thus promoting the developing of hunters in the USA!

As we have said from the beginning, the success of the programs relies on each of you who have invested and we are most grateful for your support.

To help continue with the momentum of success and the excitement of the Series and the Championship, we are including a sponsor package for you to consider in support of the Texas Pre-Green Program for 2015. We thank you in advance for your help!

Super Series Group
